

20 | IMPACT 25 | REPORT

President's Letter

Dear Friends,

We are excited to share this Impact Report with you! It is a celebration of all that you made possible in 2025. Because of your support, the DLC reached remarkable milestones, and we are deeply grateful to you for helping us achieve so much.

Thanks to you and the vision and partnership of six landowners, 1,000 acres of working farmland, forests, wetlands, and scenic landscapes were permanently protected. With these additions, the DLC

has now conserved more than 48,000 acres. That's the equivalent of 36,000 football fields! As our natural resources grow ever more limited, we remain committed to doing even more. Our next major milestone is within reach: 50,000 acres protected forever!

In 2025, you enabled us to continue our work stewarding the lands of the Jesse and Gayle Bontecou Wildlife Conservation Preserve, helping to shape it into a vibrant learning landscape. Its trails welcome the local community to visit a local landscape we all hold dear. Through a wide array of educational and volunteer activities held at the preserve, people have been invited to explore this wonderful wildlife sanctuary and working farm. We are profoundly grateful to everyone who has contributed to the Preserve Fund and helped to bring this longheld dream to life.

You helped to bring nearly 2,000 people of all ages together to clear invasive plants at the Bontecou Preserve, improve trails at the Seven Wells

Preserve, and learn about topics like deer fencing installation, soil testing and native seed sowing. The enthusiasm, curiosity, and smiling faces they brought were a powerful reminder of why this work matters.

Because of you, we now have more than 450 easement landowners who share our commitment to caring for conserved land, and with their blessing, we walked over 500 miles and flew over tens of thousands of acres to monitor compliance with the conservation easements entrusted to us. This essential stewardship responsibility is one we proudly uphold every year, now and forever.

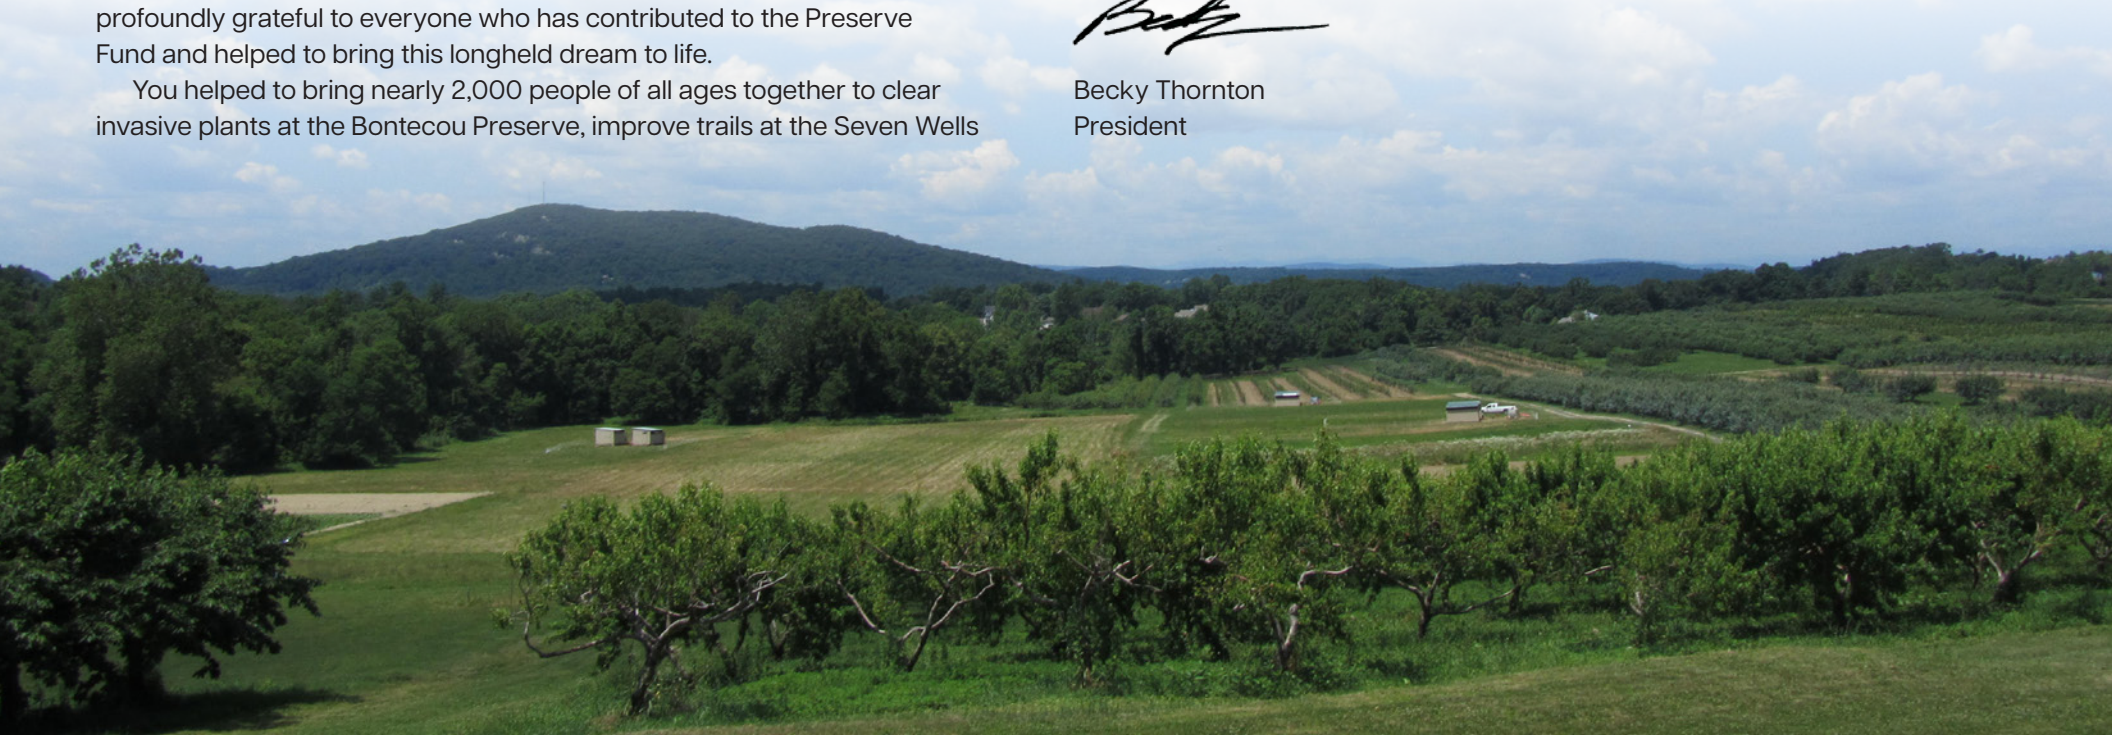

And alongside all this, as part of our commitment to you, we are excited to announce that our accreditation from the national Land Trust Accreditation Commission was renewed after a long and thorough review process, and we initiated a new Strategic Plan to guide our work into the future.

These achievements could not happen without you. Thank you for your wonderful support and for helping to ensure that this area we love and cherish remains a vibrant, healthy, and beautiful place to live and work.

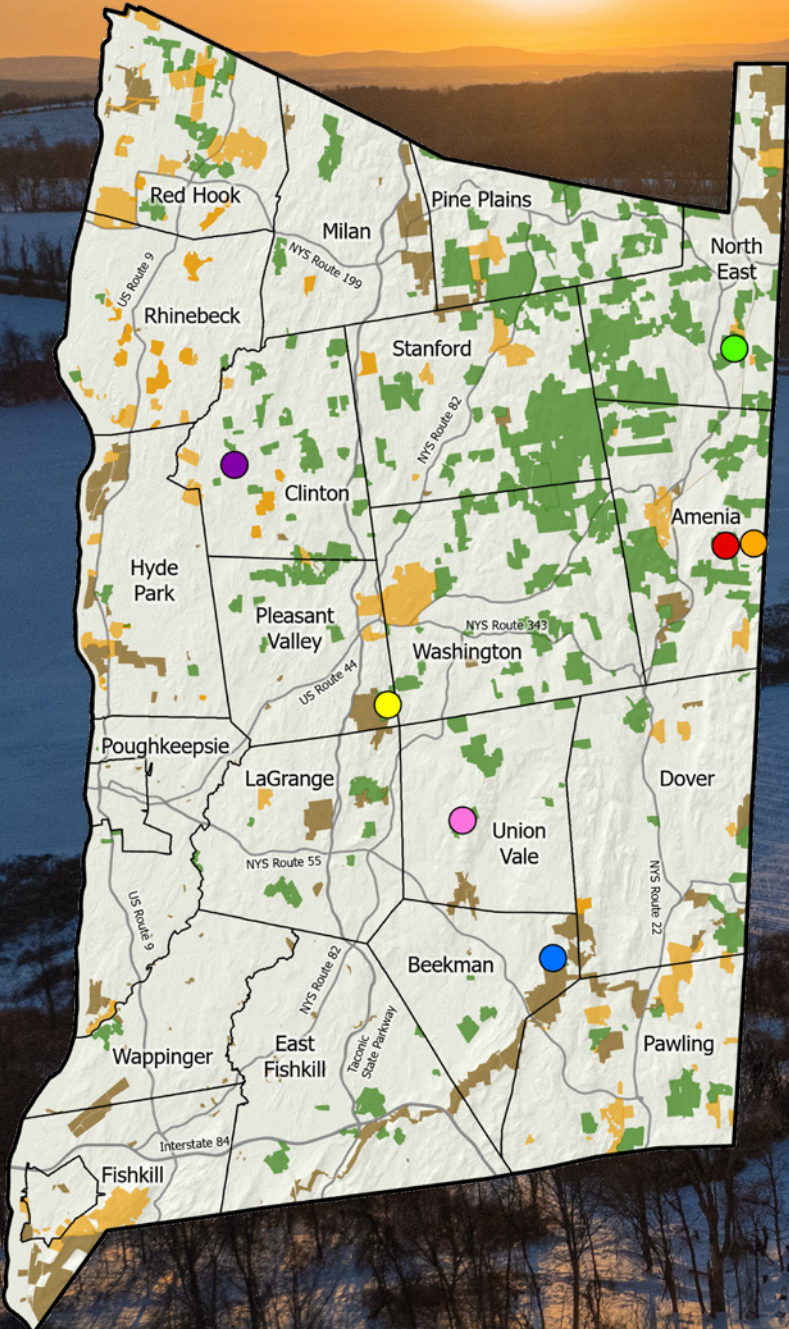

With heartfelt gratitude,

A handwritten signature in black ink that reads "Becky". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Stewardship

The DLC's Perpetual Responsibility: Stewardship of its Protected Land

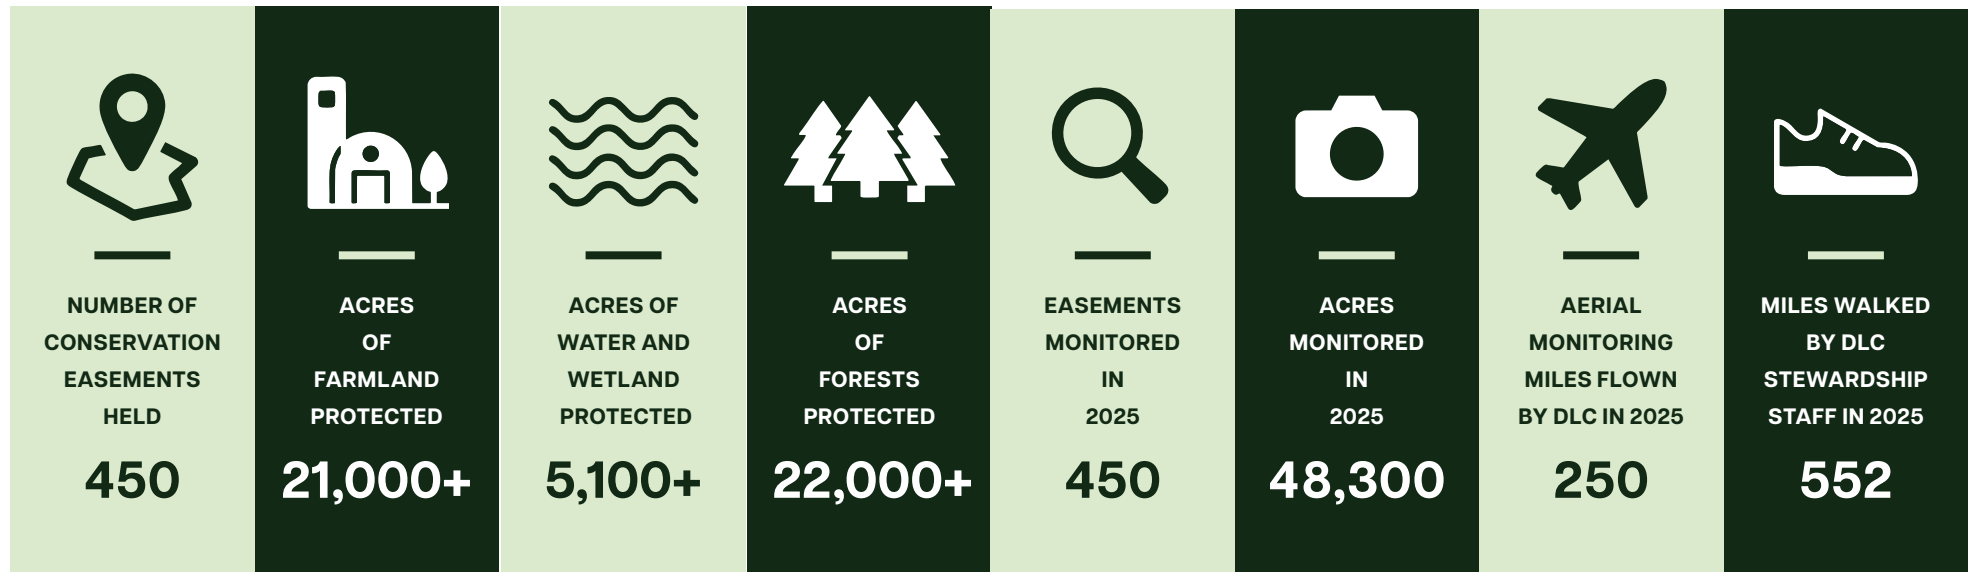

As the number of conservation easements under the DLC's care continues to grow, so does our enduring commitment to support landowners in the longterm stewardship of their protected properties. We are proud to partner with more than 450 environmentally minded stewards who own and thoughtfully care for land safeguarded by conservation easements.

The Jesse and Gayle Bontecou Wildlife Conservation Preserve, which opened to the public in October 2024, has welcomed hundreds of visitors exploring both the Lake and Vista trails. Thanks to the generosity of our dedicated supporters, we have raised \$2.8 million toward our \$3 million Preserve Fund goal.

We are continually refining the Preserve's management plan using insights from new studies, while our devoted volunteers work to remove invasive plant species, protect native species, and conduct valuable community science. Their efforts are helping to ensure the Preserve becomes a lasting resource for education and sustainable land management for generations to come.

Engaging Our Community

Community participation is the heartbeat of the DLC's mission. It's where we join with people to build relationships rooted in the land, discovering its remarkable mysteries

and working together to protect its countless natural qualities.

We are proud to collaborate with a wide range of organizations across the Hudson Valley to offer educational programs and volunteer opportunities that meet people where our collective interests lie. In 2025, our offerings

included land stewardship walks, the continuation of our 4-H scholarship program, the Earth Matters winter webinar series, agricultural education initiatives, trailbuilding events at the Seven Wells Preserve, and invasive species removal projects and deer fencing installation at the Jesse and Gayle Bontecou Wildlife Conservation Preserve.
